

The terms of use for the images in "Union Catalogue Database of Japanese Texts" (limited to NIJL collections) have been changed on June 3, 2024.

Of the approximately 270,000 digital images available on " Union Catalogue Database of Japanese Texts," the terms of use for the 26,000 works in NIJL's collection have been changed from "CC BY-SA" to "Public Domain."

This change will provide more appropriate conditions of use for works outside the copyright protection period and promote their utilization in education and research. The images in the "Public Domain" can be freely used for any purpose.

▲New terms of use display in bibliographic detail page

In our database, we kindly ask for your cooperation in providing credit when reusing the data. We also welcome reports of research findings, such as papers, and other examples of database usage. For details, please refer to the terms of use.

The terms of use : <https://kokusho.nijl.ac.jp/page/terms.html>

The terms of use for other images remain unchanged. We will respond to requests from the holder of the works and make adjustments accordingly, such as transitioning their terms of use into the "Public Domain."
